

Dear Hiring Manager,

It is my pleasure to strongly recommend Sean Gordon for a position as a [company name].

I am Kathryn Haines, a Senior Director of Marketing at Wells Pharmacy Network. I have 25+ years in marketing, sales and communications and have seen many professionals come and go. Sean Gordon is one individual I have worked with who uniquely stands out.

During our time together, Sean displayed great talents in graphic design, email automation, and development. When we first met, I was immediately impressed with Sean and his unique skillset he had on day one, but during the time worked together, his understanding of our brand needs and the tools of the trade grew far more than that of his peers. He is a leader and a team player. Sean has an "I can" attitude and a smile on his face ready to dive-in to any challenge thrown his way.

If you need more information or specific examples, please contact me at 913-486-5856, or by email at KTHAINES6@GMAIL.com. As a recommendation letter likely only provide a snapshot of his talents and achievements, I would be happy to further elaborate on my time working with him.

Sincerely,

Kathryn Haines

Dear Hiring Manager,

Over the course of the 4 and a half years we worked together at Infinifan, Inc., Sean was instrumental in the growth and development of the company. Besides being a great designer, and someone who you can depend on to make last minute changes and adjustments on projects, he put in the time to make sure every aspect of the company was attended to, even if it was not 100% design related- he cared about the company as a whole.

For example, any time we exhibited at Toy Fair or at a retailer manager's conference, Sean was key in making sure everything went smoothly from the planning stages to the execution on the day of. This included marketing materials, booth design and set up, and working the logistics out.

If you like any more information from me please do not hesitate to contact me at steamwhale@gmail.com.

I truly enjoyed my time working with Sean and know your company would be lucky to have him!

Thank you,
Cheri Nowak
Art Director, Infinifan, Inc.

To Whom It May Concern,

This letter serves to recommend Sean Gordon for employment. For the better part of 2014 Sean worked for my company, Huemor as an assistant Art Director.

In early 2014 we had a need for an assistant Art Director to manage print relations for one of our larger print accounts. Sean's prior experience in print design and production made him a great fit for the role. On a day-to-day basis Sean assisted with the management and direction for our print design projects. These projects ranged from simple product inserts, to magazine advertisements and in store point of purchase displays. Lending to both the junior designers needs, as well as the clients needs he helped streamline the process of conceptualizing, designing and producing the work.

Sean exhibited confidence and strong communication skills that allowed him to connect with the clients and better realize their needs.

Sean is a go-getter, and definitely someone who will get things done for your organization. His friendly personality, positive attitude and creative outlook would be a great asset to your team.

Sincerely,

Jeff Gapinski
